

A horizontal banner with a teal background. At the top, there are several orange and light pink circles. The banner features a central white rectangular box with a thin black border containing the text "Glad påsk" in a black serif font and "önskar" in a smaller, black cursive font below it. On either side of the box, there are two large, stylized eggs. The first egg is white with a pattern of pink and orange circles and dots. The second egg is solid light pink. Below these are two more eggs: a white one with a floral pattern of small pink flowers and a green one. The background is decorated with various other eggs in shades of green, pink, and orange, some solid and some patterned.
